Brighton Optimists have been providing youth programs in Livingston County for 34 years. They've awarded tens of thousands of dollars in scholarships to community children and have provided a lot of positive, fun-filled free events in that time. They were the original force behind such large projects as the Imagination Station playground at the Millpond and the Meijer-SELCRA skatepark. See our website for a complete list of accomplishments.

Come on out for a day of fun and feel good about supporting our great community and youth programs, too!
